Sequent Planning, LLC
(Also Doing Business As Futurity First Wealth Management)

Introduction

Sequent Planning, LLC (“Sequent Planning, LLC” or “we”) is an investment adviser registered with the U.S. Securities and Exchange Commission. We offer our clients investment advisory services. Clients should understand that the services we provide and fees we charge are different than those of a broker-dealer, and that it is important to understand the difference between the two. Free and simple tools are available to research firms and financial professionals at <https://www.investor.gov/CRS>, which also provides educational materials about investment advisers, broker-dealers and investing.

What Investment Services and Advice Can You Provide Me?

Description of Services: Sequent Planning, LLC offers the following investment advisory services to retail investors:

Asset Management Services: We provide asset management services which involves us managing and trading your designated account(s). We will discuss your investment goals and design a strategy to try and achieve your investment goals. We will continuously monitor your account when providing asset management services and contact you at least annually to discuss your portfolio. We offer asset management services through third-party money managers. For more information, please see **Item 4** of our **Form ADV Part 2A**. When engaging us for asset management services, you can choose whether you'd like us to provide services on a **discretionary** basis (we will have the authority to determine the type and amount of securities to be bought or sold in your account) or a **non-discretionary basis** (we will have to confirm any trades in your account with you before we place them). See **Item 16** of our **Form ADV Part 2A**.

Financial Planning Services: We also provide financial planning services which involves us creating a written financial plan for you which covers mutually agreed upon topics.

Retirement Plan Participant Advice: If your retirement plan utilizes our Retirement Plan Participant Advice Service, we are available at your request to provide one-on-one advice to you as a retirement plan participant regarding your investment options under the plan. Please see **Item 4** of our **Form ADV Part 2A**.

Limited Investment Offerings: We do not primarily recommend one type of security to clients. Instead, we recommend investment portfolios designed to be suitable for each client relative to that client's specific circumstances and needs. However, we are limited in investment selection in that we can only invest your account in securities which are available on your custodian/broker-dealer's platform. When providing you services, we do not recommend or offer advice on any proprietary products.

Account Minimums: Sequent does not have any minimum account requirements.

Additional Information: For more information about our Investment Services, please see **Item 4** of our **Form ADV Part 2A**.

Conversation Starters: *Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

What Fees Will I Pay?

Description of Principal Fees & Costs:

Asset Management services: Fees are charged based on a percentage of assets under management, billed in arrears on a quarterly calendar basis, and calculated based on the fair market value of your account as of the last business day of the current billing period. The annual fee for Sequent asset management services will never exceed 1.75%. Because our fee is based upon the value of your account, we have an incentive to recommend that you increase the level of assets in your account.

Financial Planning services: Fees may be either under an hourly arrangement or a fixed fee arrangement. The fees for the financial planning services may be waived by us at our sole discretion. Any fees we charge for financial planning services will not cover the costs associated with implementing any recommendations we may make.

Retirement Plan Participant Advice: There is no charge to the plan participant; rather, the retirement plan is charged an investment advisory fee.

Additional Information: You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying. For more information about the fees we charge and the other fees and expenses you will incur, please see **Item 5** of **Form ADV Part 2A**.

Conversation Starters: *Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?*

***What Are Your Legal Obligations to Me When Acting as My Investment Adviser?
How Else Does Your Firm Make Money and What Conflicts of Interest Do You Have?***

Standard of Conduct: When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means.

- 1) To the extent we recommend you roll over your account from a current retirement plan to an individual retirement account ("IRA") managed by us and subject to our asset-based investment advisory fees, this is a conflict of interest because we have a financial incentive to recommend that you move your IRA to us even if it is not in your best interest. For more information, see **Item 4** of our **Form ADV Part 2A**.
- 2) When we provide asset management services, we will ask that you establish an account with a qualified custodian to maintain custody of your assets and to affect trades for your account. This recommendation is not based solely on your interest in receiving the best execution possible. A qualified custodian provides us with research, products and tools that help us manage and further develop our business operations. As a result, we do not have to pay for such benefits, which save us money; however, these arrangements create a conflict of interest. See **Item 12** of our **Form ADV Part 2A**.
- 3) When we recommend that you utilize a third-party money manager, we will receive a percentage of the fee which they collect from you. This creates a conflict of interest as we have an incentive to recommend managers who have such arrangements with us.
- 4) We receive expense reimbursement for advertising and marketing expenses from distributors of investment and/or insurance products which is a conflict of interest because it creates an incentive to recommend products and investments based on the receipt of this compensation instead of what is in the best interest of our clients.
- 5) Some of our investment adviser representatives also serve as insurance agents. Through this role, they may sell, for commissions, various products. We have a conflict of interest in recommending these products to you because of the potential for additional revenue. For more information, see **Item 10** of our **Form ADV Part 2A**.

Conversation Starters: *How might your conflicts of interest affect me, and how will you address them?*

Additional Information: For more information about our conflicts of interests and the ways we are compensated, please see **Item 5** and **Item 10** of our **Form ADV Part 2A**.

How Do Your Financial Professionals Make Money?

Description of IAR Compensation: We compensate our investment adviser representatives based on the level of assets that the representative brings to us. This creates a conflict of interest as it gives your representative an incentive to recommend you invest more in your account with us due to the potential for increased payments.

Do You or Your Financial Professionals Have Legal or Disciplinary History?

Yes. You can look up more information about us and our investment adviser representatives at <https://www.investor.gov/CRS>.

Conversation Starters: *As a financial professional, do you have any disciplinary history? For what type of conduct?*
